

When school is out Chehaw is the place to be. Join us throughout the year for summer, spring, and winter break camps. Chehaw offers full and half day camps during school breaks for children between the ages of 4-12. Each day of camp includes a trip to the zoo, animal encounters, crafts, games, activities, a snack, and a cool camp T-shirt! Children will have fun while learning through hands-on activities.

Full day sessions for campers aged 5-12 are from 9a- 3 p. Half day sessions for four-year-olds are from 9a- 12 pm. Drop off is from 8:30-9am. Late pickup is available from 3-6pm for \$10 per day or \$40 per week. Members receive a 10% discount on camp sessions plus half price after camp care.

Animal ABC's (Ages 4-6) - ABC is simple as you and me! Animals need the same things as you and I to live. Campers will explore adaptations, environments, and animals from all over to find what we all need to survive.

***NEW* Conservation Station (Ages 4-6)** - The animals need a voice - and it might be yours! Campers will meet amazing animals and learn ways to help protect the wild places they call home.

Purr-fect Mammals (Ages 5-6) - Fuzz, fluff, and fur! Quills, spines, and eggs? Things are starting to look a little hairy! Mammals come in all shapes and sizes, from the cute and fluffy to the weird and wacky!

***NEW* Zoo-per Heroes (5-6)** - From super speed to invisible camouflage, animals have incredible adaptations that help them survive in the wild. Science has never felt so magical!

Animals Around the World (5-8) - From the African savannah to the Asian tundra, get ready to travel the world! Campers will explore the globe, trekking to each continent to learn all about the local fauna.

***NEW* Wild Bites (7-8)** - You are what you eat... and so are animals! Campers will discover how different diets help animals survive and how healthy food choices keep animals strong and energized!

***NEW* Cryptid Critters (7-8)** - From bringing good luck to creatures of myth and mystery, campers will explore real animals that inspired famous legends around the world. Discover the truth behind the tales and learn how these incredible species really live in the wild!

***NEW* Wildlife Workforce (7-8)** - Every animal has a job to do! From pollinators to top predators and clean-up crews, campers will discover how animals help keep ecosystems healthy.

***NEW* Native to Invasive (7-12)** - Some animals belong here... and some don't! Campers will discover why protecting native wildlife matters and what happens when invasive species move in.

***NEW* Conservation in Action (9-12)** - Protecting wildlife starts with YOU! Campers will learn how Chehaw helps support conservation efforts around the world. Discover ways to make a difference for wildlife and wild places.

***NEW* Skull and Bones (9-12)** - Grab your paddle and prepare for a high-stakes expedition! Campers will master canoeing skills while following ancient clues and paddling through obstacles in search of legendary treasure.

***NEW* The Changing Wild (9-12)** - Nature is always changing, and animals have to adapt to survive! Campers will learn how animals adapt to changing weather, habitats, and more.

***NEW* Trainers in Training (9-12)** - Ever wonder how zookeepers teach animals new skills? Campers will learn the basics of positive reinforcement and animal training. Discover how trust, patience, and teamwork help animals thrive!

***NEW* United States of Animals (4-12)** - Celebrate the red, white, and wild! Campers will explore America's amazing native animals, from soaring raptors to creatures that call our forests and rivers home.
